Infant & Early Childhood Mental Health: Growing Missouri's Capacity

May 6th, 2016

8:30 am - 4:00 pm

Missouri Coalition for Community Behavioral Healthcare
221 Metro Drive, Jefferson City, MO 65101

This is third in a series of trainings offered to mental health professionals to build capacity across the state to meet the social and emotional needs of our youngest children. Please join us for this informative session that will include morning presentations on mindfulness, self-regulation, and self-care for the mental health professionals. The afternoon session we will welcome Dr. Martin Maldonado, a world renowned expert in infant and early childhood mental health.

Details to follow. CEUs are available.
Lunch will be provided.
